Sponsorship Package

October 1, 2026 | Virtual Event

Presented by LIVED2TELL Cancer Support Outreach, Inc.

Welcome Letter

Dear Community Partner,

Thank you for considering becoming a partner in bringing hope, encouragement, and practical support to cancer patients and families through LIVED2TELL Cancer Support Outreach, Inc.

We invite you to become a sponsor of our Virtual Music Bingo for Hope fundraiser, an evening designed to bring our community together through music, laughter, encouragement, and giving while raising critical funds to support cancer patients and families.

As a three-time breast cancer survivor, I understand that cancer affects far more than the body. It can disrupt a family's finances, transportation, emotional well being, and sense of hope.

LIVED2TELL was born from my own cancer journey and from a desire to walk beside patients and families during one of the most difficult seasons of their lives. Your sponsorship allows us to turn compassion into practical support and remind every person facing cancer that they do not have to walk this journey alone.

Your sponsorship directly helps provide hope, encouragement, advocacy, referrals, care packages, and practical support to individuals navigating the challenges of cancer.

Together, we can remind every person facing cancer that they do not have to face it alone. Thank you for considering this opportunity to make a meaningful difference.

With gratitude,

Cheryl L. Brown

Founder and Executive Director, LIVED2TELL Cancer Support Outreach, Inc.

Behind Every Request Is a Person

A cancer diagnosis does not stop utility bills, transportation needs, housing expenses, or the everyday responsibilities of caring for a family.

Every week, LIVED2TELL receives requests from individuals and families doing everything they can to fight cancer while struggling to pay utility bills, reach treatment appointments, or simply find encouragement during one of the most difficult seasons of their lives.

Your sponsorship helps us respond with practical assistance, trusted referrals, care packages, education, advocacy, and hope when it is needed most.

Your Impact

When you sponsor Virtual Music Bingo for Hope, your generosity helps provide:

- Emergency financial assistance
- Support for the development of our H.O.P.E. V.A.N. transportation initiative
- Care packages

- Education and advocacy
- Hope to patients and families

Every sponsorship represents hope in action and reminds someone facing cancer that they are not walking this journey alone. We are committed to using every sponsorship responsibly to maximize its impact on the lives of cancer patients and families we serve.
